

100% INTERCHANGEABLE

A wide range of original spare parts for combirex CX250 that are also 100% interchangeable and suitable for all the brakes series CX250 available on the market.

PADS

Thanks to the new compounds formula, Renova's pads guarantee a longer life and therefore a reduced need for spare parts and reduced dust emissions in the workplace.

ROHS compliant: all pads are asbestos, hexavalent chromium, mercury, cadmium, antimony and lead FREE!
